

The Preposition Song

(Sung to the tune of Yankee Doodle)

Yankee Doodle had a problem
Called a preposition.
Below you'll find out how he solved it
And each one's position.
Sing the song
The tune's the same.
Learn them as you go.
Won't be long until you'll be a preposition pro!

About, above, across, against
Among, around, at, before
Behind, beside, below, between
During, except, by, down
Over, under, of, off, on
Through, beneath, to, after
Toward, up, until, upon
Are all prepositions.

Sing the song
The tune's the same.
Learn them as you go.
Won't be long until you'll be a preposition pro!

Onto, Into, Out, Within,
In, Like, With, Without,
Since, Past, Near,

Are becoming clear
For everyone to hear
